All season tickets only entitle admission to league matches. All other fixtures (FA Competitions, County or League Cups) are not included and season ticket holders will be required to pay the standard admission prices.

Season tickets should be shown on entry to the ground and failure to do so may result in being refused entry.

Season tickets are non-transferable and if it's proven that tickets have been used by other people other than the named holder the ticket will immediately be confiscated by the turnstile operator or Club Official and cancelled.
